**What is the Weinberg Center?**

Funded by Harry & Juliet Weinberg

The Weinberg Center is at a private somewhat isolated facility on a military reservation.

It is in a secluded forest area and resembles a ski lodge made from logs.

There is a large pond in the back and the scenery is beautiful. The atmosphere is very relaxing.

Ten regular private sleeping rooms with one double bed are available away from the gaming area and can sleep two persons.

Two suites are also available that have kitchenette and can sleep at least four in a double bed and sofa bed. There is room for up to two on the floor in the suites.

The main meeting room will hold approximately 100 gamers.

There is a gas fireplace in the meeting room.

Attached to the main meeting room is a large kitchen and very large outdoor deck looking over the pond.

Picnic tables are available outside on the deck for those wishing to use them.
