The Games Club of Maryland plays games across the Mid-Atlantic Region, with over forty locations in five states. We welcome gamers from novice to experienced, young and old, and walk-ins are welcome. Our main goal is to have fun in a relaxed, social environment! We promote a positive mental attitude, good sportsmanship, fair play, flexibility, open mindedness, patience and communication. We provide many games, but everyone is encouraged to bring their favorites. We are always happy to learn and teach new games.
